Subject: Alcoa Inc - Massena West Plant
Secure Landfill
Certification Report for Operation and Interim Capping of Secure Landfill Cell 3 in 2005

Dear Mr. Townsend:

Attached are two copies of the *Certification Report for Operation and Interim Capping of Secure Landfill Cell 3 2005* and the Cell 3 Record Drawings for your review and comment.

If you have any questions, please contact me.

Very truly yours,

A handwritten signature in black ink, appearing to read "Paul S. Catanzarite", written in a cursive style.

Paul S. Catanzarite
GEP Plant Manager
